

Learn how to manage role requests and submit Medicaid and CHIP SPAs and Waivers.

Getting started

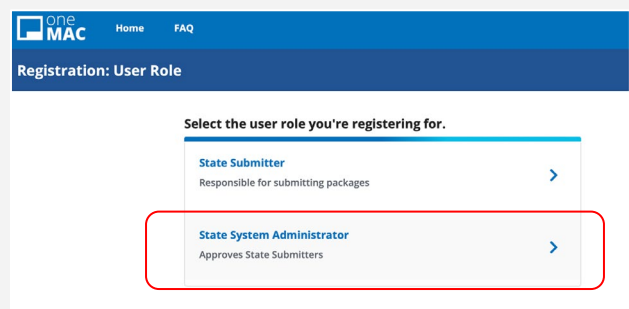

First, register for OneMAC access

- Request OneMAC access in the CMS Identity Management System (IDM).
- You'll receive an email once your request has been processed.
- After your request is approved, you are ready to log in to OneMAC.

Next, select your user role and state access

- Use your IDM credentials to log into OneMAC at <https://onemac.cms.gov> and select your user role and state
- Watch for an email confirming your role request submission.
- After your request is approved, you're ready to start using OneMAC!

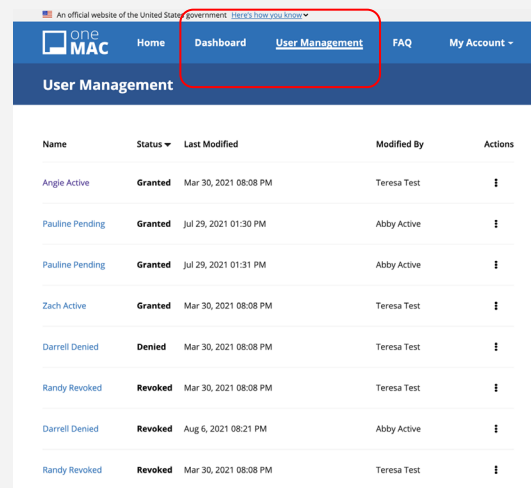

Navigating your dashboard

Utilize the User Management dashboard to see:

- Name and Email of State Submitters
- Current Status (Pending, Granted, Denied, Revoked)
- Date and time a request was Last Modified and by whom
- Personnel Actions to act on user requests and access

To view submitted Medicaid and CHIP SPAs and Waivers:

- Select **Dashboard** from the top navigation bar.

Managing user role requests

Reviewing New Requests

When there is a new State Submitter role request, you receive an email notification.

- Log in to the User Management dashboard and look in the Status column.
- New requests appear at the top of the Status column as Pending.

Taking Action

To act on a request or modify user access, go to the Personnel Actions column.

- In the Applicable User row, click the three dots and select the action you wish to take.
- At the warning prompt, click OK to proceed. A Status Change alert will confirm the action.
- If a current user status has changed, check Last Modified and Modified By for details.

Submitting Medicaid and CHIP SPA or 1915(b), 1915(c) waivers

Select **Dashboard** from the top navigation bar to access the OneMAC SPA and Waiver Dashboard. See your submission options and a list of any submissions made.

- Click the **New Submission** button to select a submission type. Next, choose the specific SPA or Waiver type.
- Enter the **SPA ID or Waiver Number** and include any attachments. Required attachments are noted with an asterisk.
- Use the **Additional Information** field to type in any notes for CMS. Check your entries, as you can not edit the submission after you click **Submit**.
- You'll receive an email confirming that the submission was successful, marking the start of the 90-day review process. CMS will contact you if more information is needed.

OneMAC currently doesn't support editing. To change or add an attachment, please contact the related Package Triage team.
